STAFF TRAINING

We continue our drive for improvement - this includes staff training and also sharing expertise from other schools.

Each school in the River Learning Trust has arranged a 'peer review' day. This involves a day where visiting head teachers watch lessons, meet staff and children and offer advice about next steps for school development. Last Thursday we had a very productive peer review; recommendations will be fed into the Raising Achievement Plan (RAP) and will be shared with parents.

Training this week

Tuesday: Miss Goodman has her final external assessment this week. She has made an excellent contribution to the school this year and we are delighted that we have a position to offer her next year- and that she has accepted! Good luck for Tuesday!

Tuesday: Target Tracker training for all staff. This is an electronic assessment tool which will help staff record their assessments and analyse the data.

Wednesday: Clicker 6 training (ICT writing program) Mrs Newbury, Mrs Tayman.

Thursday: Health and Safety inspection. This has been commissioned by the school.

Monday & Thursday: Mr Hamilton maths training.

FESTIVAL OF VOICES

'We went to the Festival of Voices because we could meet other schools and it is good for people who like singing.

There are lots of songs. Some are soft and some are jumpy and my favourite are Believe and World in Union.'

By Kira Year 4

The teachers would like to add how proud they were of the children's behaviour and their wonderful singing. Dorchester Abbey provided an atmospheric venue for a memorable event. Well done Year 4!
