

### EXCELLENCE

This beautiful picture of a butterfly by Merryn, Year 2, represents our value of the month: excellence. Not just because it is a skilful piece of art work, but because of the attitude that Merryn showed. She was determined to do her best and kept going until she was satisfied with the result.

### MUGA

This weekend we had the lines painted on the MUGA (multi use games area). We now have a full sized netball court, markings for football and hockey and 30 metre sprint tracks.

We look forward to some good sporting activities .

### NOTICE FOR MUSICIANS

It would be great if any children would like to play their instruments at the beginning and end of the Friday 'Star of the Week' assembly. There is a sheet outside the hall. Please encourage your children to sign up. Beginners welcome!

### Y6 SATs

This week our Year 6 children will sit their SATs papers. They have worked really hard and maintained such a calm and mature attitude in the build up last week. Many thanks to all the teachers and TAs involved in supporting the children.

The rest of the school have agreed that they will support the year 6 class by being extra quiet as they move around the school, and by making encouraging comments when they see anyone from year 6!

Good luck Year 6!
